AZ REC 15U SPRING LEAGUE IS IN FULL SWING!

Competitive youth basketball continues to grow across the nation. In the Valley of the Sun alone, there are over one hundred competitive teams ages ten through fourteen years-old, with many of the competitive teams forming their own clubs. Despite the increase in players, the struggle to find consistent, quality games continues.

With a successful 2006 Spring & Summer League behind, AZ REC is excited to announce the beginning of the 2nd Annual Spring League. The Spring League will consist of two leagues Gold & Silver, with games being held on Thursday & Friday nights & Saturday afternoons at A.R.C.H. Due to the hectic Spring schedule there might be an occasional disruption in the schedule, however, every possible effort will be made to

accommodate each team.

In the Silver Division, there are 8 teams which include AZ REC, AZ Flame, Big Stuff Academy, AZ Wildfire, AZ Superstars, Team AZ, South Mountain Hoyas and Team Zona. In the Gold Division, AZ REC, Mis-Hermanos, Team M-Phasis, Team Zona, AZ Prowlers, AZ Spurs, Bruins and Team Fuerza will be competing for team championships. Spectators should be warned that history has proven these teams to provide numerous buzzer beaters and nail biters! Watch at your own risk!

If you need something or have a suggestion, please do not hesitate to contact us. The primary goal of AZ REC's league is to provide consistent, quality play where individuals and

teams can grow in the game of basketball while having fun.

The end of the season tournament will be held June 14-17,

Thursday, Friday and Sunday. The teams will be seeded according to the end of the league standings. Good Luck to all teams.

WHY ARE THEY CHARGING AT THE DOOR?

It has often been quoted, "Nothing in Life is free." Well, the same can be said for watching league and tournament play at AZ REC. Yet, what appears to be a money making adventure for one club is actually a FUNDRAISER for all teams involved.

With league registration fees covering referee and gym costs, AZ REC looked for a way to assist all teams involved. It was then decided that a small admission would be charged for each spectator with profits being split equally among each participating team. Each week, the

AZ RECOrdings will publish profits earned so everyone can see how much money their club has raised.

Next time you pay at the door, remember: it's not the price of admiration, but, rather, a donation towards the fun.
